National Institute on Aging. Alzheimer's Disease Fact Sheet.

National Institutes of Health, **n.d.** Web. 20 Mar 2015.

- This is the date that this site was created or updated.
  - Usually found at the bottom of the page, next to the copyright © sign.
  - Use the latest date you can find. (i.e. 2014 instead of 2000)
  - If there is no date on the website/page, put "n.d." which stands for "no date."
-

# Medium of Publication

National Institute on Aging. Alzheimer's Disease Fact Sheet.

National Institutes of Health, n.d. **Web.** 20 Mar 2015.

- This is the form that the publication is in. It can include: print (for books, magazines, etc.), web, radio, DVD, photograph, etc.
  - For online sources, you will most likely use "Web" (if you found your information on the Internet) or "Digital file."
-

# Date of access

National Institute on Aging. Alzheimer's Disease Fact Sheet.

National Institutes of Health, n.d. Web. 20 Mar 2015.

- This is the day you found this information online.
  - Don't just make this date up! Make sure you keep track of when you viewed each website you are using for your research.
  - Why is this important to know? Because websites change all the time. This helps your readers know if there may have been changes to the website since you viewed it.
-
